Airport Business Segment

管理机场11家,包括海南省内海口美兰、三亚凤凰、琼海博鳌、三沙永兴4家机场,及岛外7家中小机场(宜昌、满洲里、松原、营口、潍坊、唐山、安庆),11家机场年运输旅客最高近5500万人次,2024年美兰机场和凤凰机场旅客吞吐量全国排名位列第19位、第24位。

There are 11 airports managed by Hainan Airport, including four airports in Hainan Province, Haikou Meilan, Sanya Phoenix, Qionghai Boao and Sansha Yongxing, and seven small and medium-sized airports outside the island (Yichang, Manzhouli, Songyuan, Yingkou, Weifang, Tangshan and Anqing). The maximum passenger throughput of 11 airports is Nearly 55 million people-times annually, of which Meilan Airport and Phoenix Airport ranked the 19th place and the 24th place in terms of passenger throughput in China.

在机场建设方面,公司以提升全岛航空运输保障能力为着力点,坚持全岛一盘棋,努力建成布局完善、功能完备、智慧高效、绿色集约的现代化运输机场体系,为实现高质量高标准建设中国特色自由贸易港提供有力支撑。计划到2035年左右,全岛运输机场数量达到5座,基本建成“一主一次、两支一货运”的海南自贸港机场群。

In terms of airport construction, the company focuses on enhancing the air transportation support capacity of the entire island, adheres to a unified strategy, and strives to build a modern transportation airport system with complete layout, functions, intelligence, efficiency, and green intensification, providing strong support for the construction of a Chinese characteristic free trade port with high quality and high standards. By around 2035, the number of transportation airports on the island is planned to reach 5, and a Hainan Free Trade Port airport cluster with "one main, one service, two branches, one cargo" will be basically built.

凤凰机场三期改扩建项目和博鳌机场三期扩建项目将于2025年底建成。同时公司正压茬推进三亚新机场、美兰机场三期、东方机场、儋州机场等项目前期工作,力争到2035年全岛机场保障能力跃升至年旅客吞吐量1.1亿人次,实现跨越式发展。

The third-phase expansion and renovation project of Fenghuang Airport and the third-phase expansion project of Boao Airport will be completed by the end of 2025. Meanwhile, the company is actively advancing the preliminary work for projects such as the new Sanya Airport, the third phase of Meilan Airport, Dongfang Airport, and Danzhou Airport, striving to achieve a leapfrog development by 2035, with the goal of elevating the island's airport support capacity to an annual passenger throughput of 110 million.

## 海口美兰国际机场

### Haikou Meilan International Airport

海口美兰国际机场，致力于打造面向太平洋、印度洋的航空区域门户枢纽。美兰机场于1999年5月25日正式通航，2002年11月在香港成功上市（HK.00357），是我国重要的国内干线机场之一，2024年美兰机场旅客吞吐量达到2689.02万人次。美兰机场二期项目于2021年12月2日正式投运，设计容量为到2025年，美兰机场可满足年旅客吞吐量3500万人次、年货邮吞吐量40万吨的运行需求。自此，美兰机场跨入“双航站楼，双跑道”全新发展时代。

Haikou Meilan International Airport is committed to building an aviation regional gateway hub facing the Pacific and Indian Oceans. Meilan Airport was officially opened on May 25, 1999, and successfully listed in Hong Kong in November 2002 (HK. 00357). It is one of the important domestic trunk airports in China, with a passenger throughput of 26.8902 million in 2024. The Meilan Airport Phase II project was officially put into operation on December 2, 2021, with a designed capacity to meet the operational needs of an annual passenger throughput of 35 million and an annual cargo and mail throughput of 400000 tons by 2025. From then on, Meilan Airport entered a new era of development with "dual terminals and dual runways".

## 三亚凤凰国际机场

### Sanya Phoenix International Airport

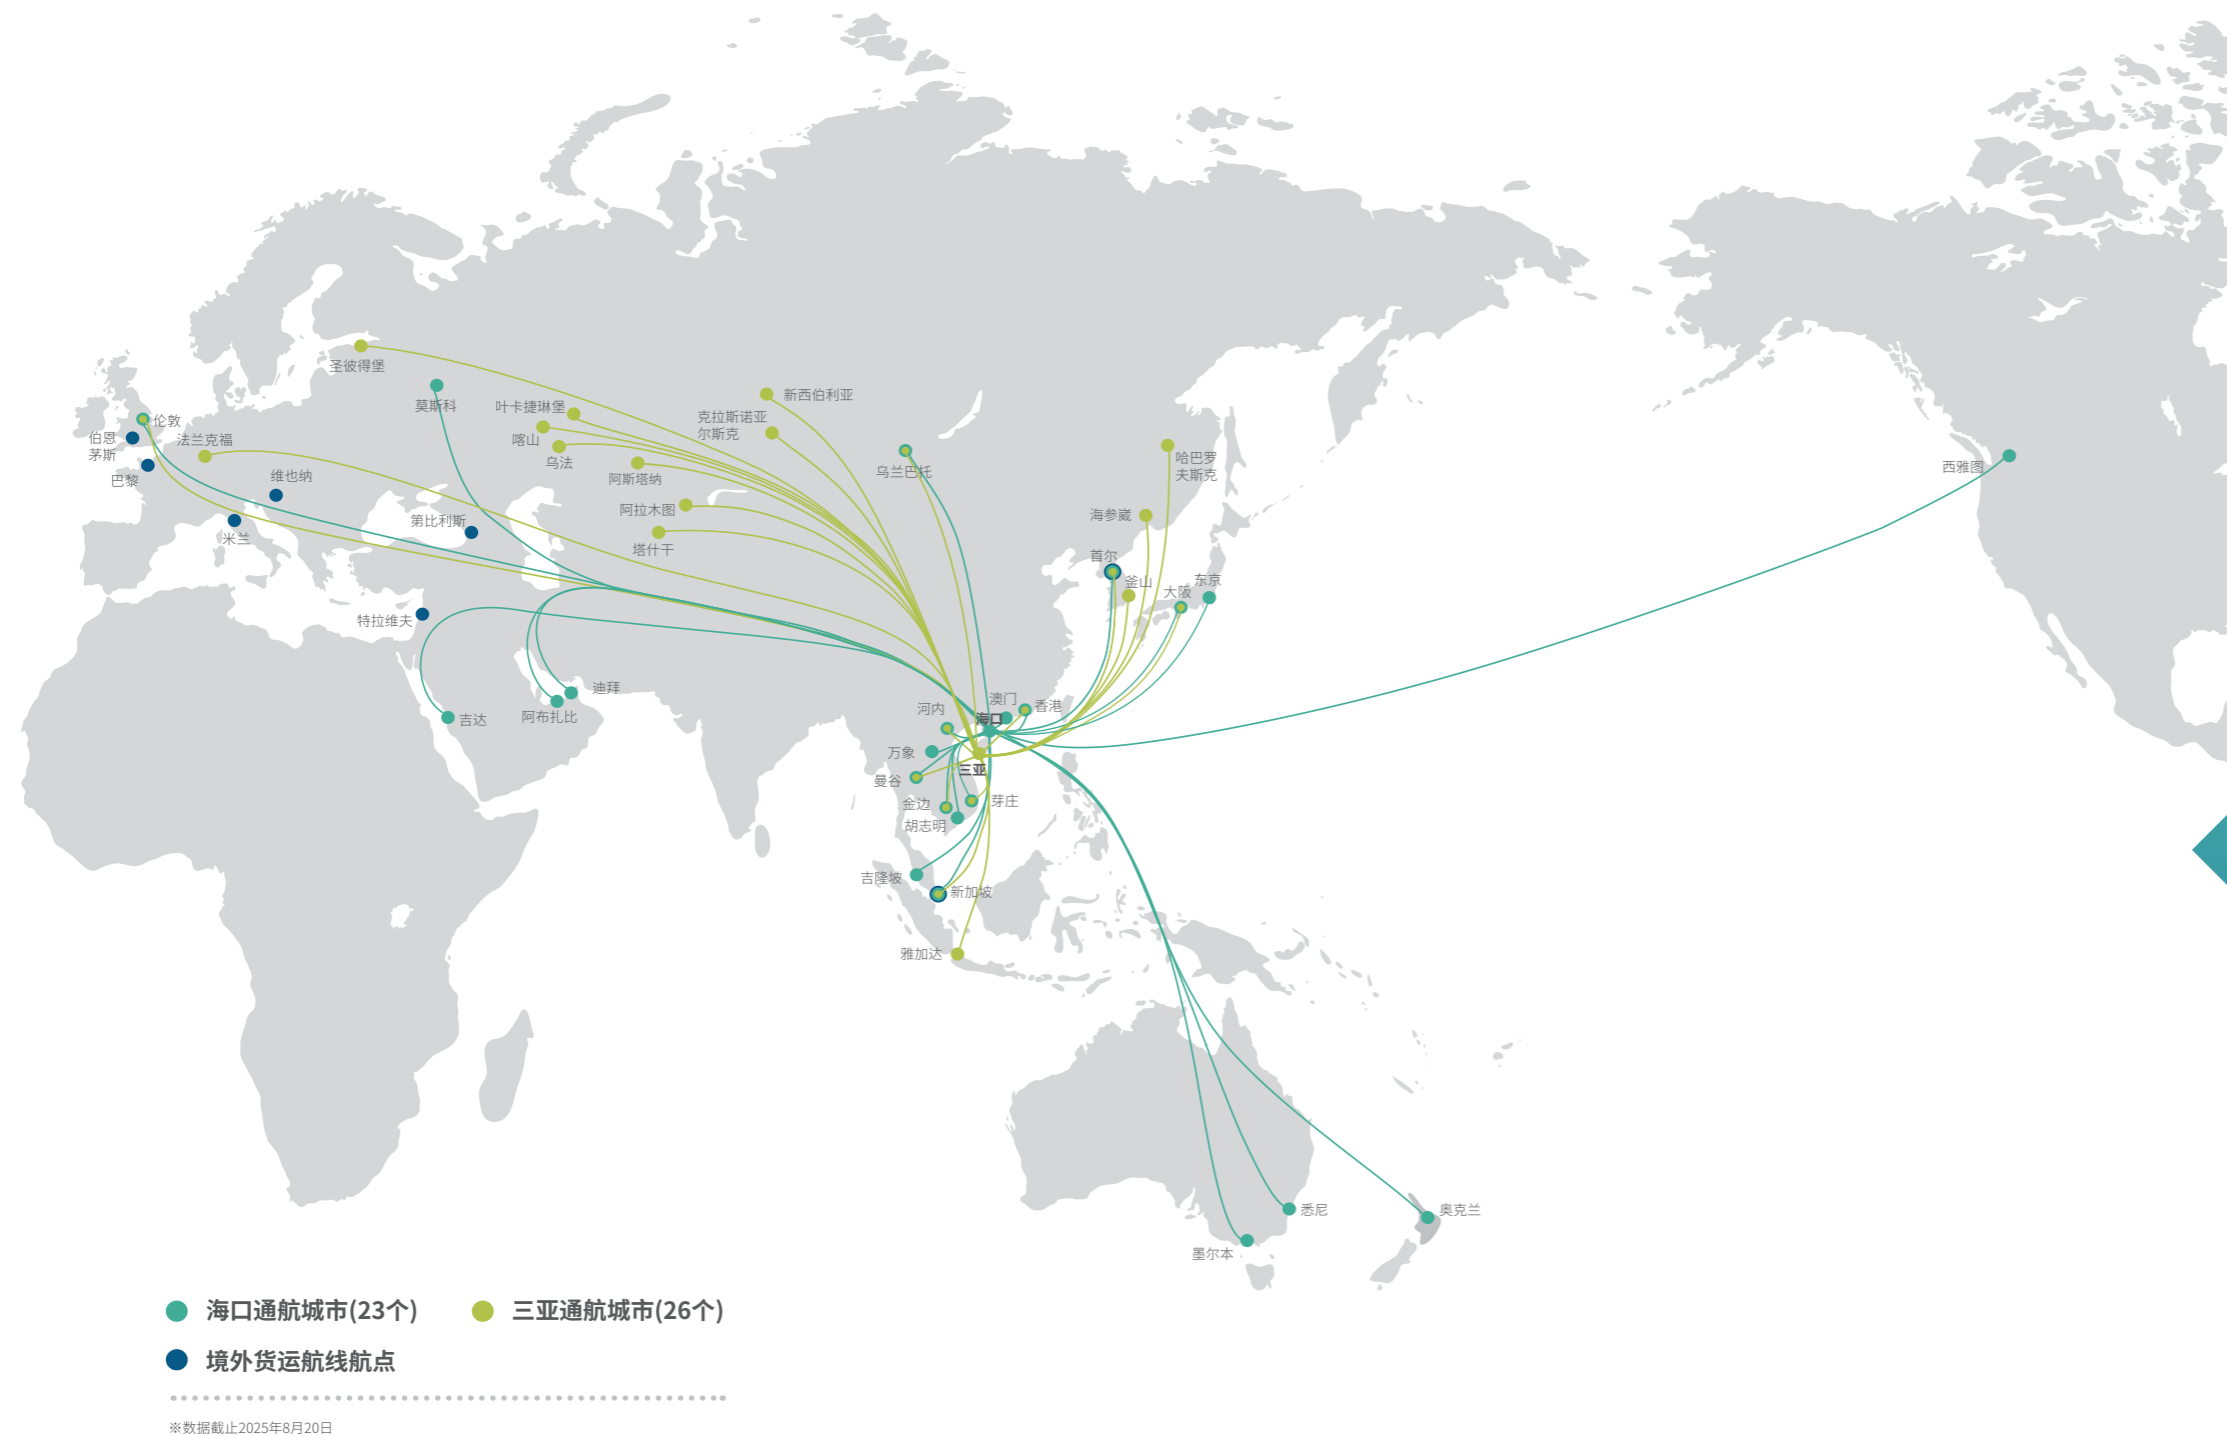

三亚凤凰国际机场，致力于打造国际区域性枢纽机场，面向太平洋、印度洋的航空区域门户次枢纽，有效支撑国际旅游消费中心核心区建设。2018年旅客吞吐量突破2000万人次，成为国内首家跻身“两千万俱乐部”的非省会地级市机场；2024年凤凰机场运送旅客2142.6万人次，单日宽体机保障架次创通航以来历史新高，保持在“两千万级空港”行列。凤凰机场航线网络已覆盖海南岛外全国所有省会城市和直辖市（除拉萨外），构筑四通八达的航线网络布局，助力地方经济快速发展。

Sanya Phoenix International Airport is committed to building an international regional hub airport, serving as an aviation gateway sub hub facing the Pacific and Indian Oceans, effectively supporting the construction of the core area of the international tourism consumption center. In 2018, the passenger throughput exceeded 20 million, becoming the first non provincial and prefecture level airport in China to join the "20 million club"; In 2024, Phoenix Airport transported 21.426 million passengers, achieving a record high in the number of daily wide body aircraft supported flights since its opening, maintaining its position as a "20 million level airport". The route network of Phoenix Airport has covered all provincial capitals and municipalities in China (except Lhasa) outside of Hainan Island, building a well connected route network layout and helping local economies develop rapidly.

## 9家中小机场 9 Small and Medium-Sized Airports

## “两洋”枢纽建设 Construction of the "Two Oceans" Hub

在“两洋”枢纽建设方面，海南机场聚力打造自贸港国际化航空枢纽和航线网络。依托海南“背靠内地、面向两洋”的天然地理优势，不断加大航空市场开发，积极打造一张国内快线网络和构建四大中转扇面。着力将海口美兰机场打造为面向太平洋、印度洋的航空区域门户枢纽，将三亚凤凰机场打造为面向太平洋、印度洋的航空区域门户次枢纽，以及国际旅游消费中心目的地机场。

In terms of the construction of the "two-ocean" hub, Hainan Airport is committed to building an international aviation hub and route network for the Free Trade Port. Leveraging Hainan's natural geographical advantage of "relying on the mainland and facing the two oceans", it continuously strengthens the development of the aviation market, actively creating a domestic express route network and building four major transit sectors. It focuses on transforming Haikou Meilan Airport into an aviation regional gateway hub facing the Pacific and Indian Oceans, and Sanya Phoenix Airport into an aviation regional gateway secondary hub facing the Pacific and Indian Oceans, as well as a destination airport for the international tourism consumption center.

民航局、海南省政府对海南民航发展出台专门政策，在航权开放、59国免签政策等方面给予全面支持。本着“航线开通服务于自贸港经贸合作、招商引资、入境旅游等重点方向”的务实原则。2025年，海南预计开通境外客运航线90条，境外旅客吞吐量240万人次。

The Civil Aviation Administration of China and the Hainan Provincial Government have issued special policies for the development of Hainan's civil aviation, providing comprehensive support in areas such as air traffic rights liberalization and visa free policies for 59 countries. Adhering to the pragmatic principle of "opening air routes to serve key directions such as free trade port economic and trade cooperation, investment attraction, and inbound tourism". By 2025, Hainan is expected to open 90 overseas passenger routes, with a throughput of 2.4 million overseas passengers.

## 航空口岸封关运作

### Customs Closure Operation of Air Ports

2025年是海南自贸港封关运作、扩大开放之年。航空口岸作为海南自贸港出入的重要门户，承担着至关重要的作用。海南机场旗下美兰机场、凤凰机场、博鳌机场三个空港口岸五个封关运作项目已通过国家验收，推动了机场软硬件设施改造升级和航空智慧口岸建设进程，实现机场运行保障能力提升，为自贸港如期封关运作提供了重要保障。

2025 is the year when Hainan Free Trade Port will operate under closed borders and expand its opening up. As an important gateway for entry and exit of Hainan Free Trade Port, the aviation port plays a crucial role. Hainan Airport's three airports, Meilan Airport, Phoenix Airport, and Boao Airport, have passed national acceptance for their five customs operation projects. This has promoted the upgrading of airport software and hardware facilities and the construction of aviation smart ports, enhancing the airport's operational support capabilities and providing important guarantees for the timely operation of the free trade port.

## 5 临空、低空开发建设

### Air and low altitude development and construction

临空方面，依托岛内海口美兰、三亚凤凰、琼海博鳌三场人流、物流等口岸优势，通过政企合作，共同搭建港产融合的临空产业发展平台，构筑形成“临空+低空”产业链条，重点发展飞机维修、航空物流、科技研发与高端制造，临空商贸、低空经济、航空配套服务等产业，推动机场流量向经济增量转化，助力打造千亿规模临空产业集群。

In terms of air transportation, relying on the advantages of the three ports of Haikou Meilan, Sanya Fenghuang, and Qionghai Boao in terms of passenger flow and logistics, and through government enterprise cooperation, we will jointly build a platform for the integration of port and industry in the air transportation industry, and construct a "air transportation+low altitude" industrial chain. We will focus on developing aircraft maintenance, aviation logistics, technology research and development, high-end manufacturing, air transportation commerce, low altitude economy, aviation supporting services and other industries, promote the transformation of airport traffic into economic increment, and help create a 100 billion scale air transportation industry cluster.

低空方面，承接海南通航飞行服务站低空运行管理职能，“一站式”服务保障海南全省低空飞行，为自贸港发展低空经济先行探索多元化应用场景。

In terms of low altitude, we undertake the low altitude operation and management functions of Hainan Aviation Flight Service Station, providing "one-stop" services to ensure low altitude flights throughout Hainan Province, and exploring diversified application scenarios for the development of low altitude economy in the free trade port.

在海口美兰临空片区，将围绕面向两洋航空区域门户枢纽，打造港产融合示范区，重点发展飞机维修、航空物流、科技研发与高端制造、临空商贸、航空配套服务、低空产业等业态。

在三亚凤凰临空片区，将建设现代服务创新示范区，重点发展跨境贸易、电子商务、跨境结算、商贸会展、免税消费、供应链服务、研发设计等新兴服务业态。

在琼海博鳌临空片区，将打造通航一站式服务基地，重点发展通航FBO、通航维修、通航培训、通航制造、通航会展以及通航飞行器运营（交易、租赁、托管）等业态。

In the Meilan Airport Area of Haikou, a demonstration zone for port industry integration will be built around the gateway hub facing the two ocean aviation regions, focusing on the development of aircraft maintenance, aviation logistics, technology research and development and high-end manufacturing, air commerce, aviation supporting services, low altitude industries and other business formats.

In the Phoenix Airport Area of Sanya, a modern service innovation demonstration zone will be built, focusing on the development of emerging service formats such as cross-border trade, e-commerce, cross-border settlement, trade exhibitions, duty-free consumption, supply chain services, and research and development design.

In the Qionghai Boao Airport Area, a one-stop service base for aviation will be built, focusing on the development of aviation FBO, aviation maintenance, aviation training, aviation manufacturing, aviation exhibitions, and aviation aircraft operation (trading, leasing, custody) and other business formats.

## 6 免税商业及地产

Duty-free Commerce and Real Estate

海南机场充分发挥美兰机场、凤凰机场、日月广场三大码头优势，大力拓展离岛免税业务，将机场服务保障体系与免税日常经营深度融合，致力于将传统机场打造成新型免税商场，机场离岛免税已成为海南机场的一张靓丽名片。公司参股免税企业3家，参与免税经营场所5家，离岛免税经营面积超7.6万平方米。日月广场2024年客流超2818万人次，历史年营业规模最高曾破百亿元，位列全国商业综合体前十强（2021年度数据）。同时，公司正积极筹开凤凰机场免税店三期项目、扩增日月广场免税经营面积，做大免税市场份额。

海南机场全国在建及土地储备项目25个，拥有逾3650亩土地。公司深度参与海口江东新区综合开发建设，全面建设428米海南新高度海南中心。2022年11月4日上午，海南中心项目启动誓师大会顺利举行，标志着未来海南第一高楼正式进入施工建设阶段。这是海南控股贯彻落实党的二十大精神、“抓项目、扩投资、稳增长”的具体行动，也是海南机场以实际行动履行省属国企责任担当的具体体现。截至2025年8月19日，海南中心核心筒施工至84层，高度已达355.5米。

Hainan Airport comprehensively applies the advantages of Meilan Airport, Phoenix Airport and MOVA, vigorously expands the off island duty-free business, deeply integrates the airport service guarantee system with the duty-free daily operation, and is committed to building the traditional airport into a new duty-free shopping mall. Airport off island duty-free has become a beautiful business card of Hainan Airport. The company holds equity interest in 3 duty-free enterprises, participates in 5 duty-free business sites, with an off island duty-free business area of more than 76,000m<sup>2</sup>. In 2024, the passenger flow of MOVA exceeded 28.18 million, and the historical annual business scale once exceeded 10 billion yuan, ranking among the top ten commercial complexes in China (2021 data). At the same time, the company is actively preparing to open the Phase III project of Phoenix Airport Duty Free Shop and expand the duty-free

business area of MOVA, expand the duty-free market share.

Hainan Airport has 25 under construction and land reserve projects nationwide, with over 3650 acres of land. The company is deeply involved in the comprehensive development and construction of Haikou Jiangdong New Area, and has comprehensively built a 428 meter Hainan Center with a new height in the south. On the morning of November 4, 2022, the swearing in ceremony for the launch of the Hainan Center project was successfully held, marking the official entry of the construction phase for the tallest building in Hainan in the future. This is a specific action taken by Hainan Holdings to implement the spirit of the 20th National Congress of the Communist Party of China and to "focus on projects, expand investment, and stabilize growth". It is also a concrete manifestation of Hainan Airport fulfilling its responsibilities as a provincial state-owned enterprise through practical actions. As of August 19, 2025, the core tube of Hainan Center has been constructed to the 84th floor, with a height of 355.5 meters.
